Letter No 921 dated the 27th May 1904, from the President of the District Board, Kolar District

Subject:—

Entertainment of Kotwal for the Traveller's bungalow at Betha-mangala in the Bowringpett Taluk.

The President applied for sanction for the entertainment of a Kotwal on Rs 7 per mensem for the IIIrd class Traveller's bungalow at Bethamangala, as the Presiding Officer on Rs 5 could not cope with the work of supplies for the travellers. He was thereupon requested to submit a Re-appropriation Statement providing funds to meet the pay of the Kotwal, through the Commissioner in accordance with the Proceedings No 3122-32 1749-03 dated the 22nd February 1904 together with a Statement shewing the number of halts made & fees collected in the said bungalow

from September 1903.

2. The President now states that no reappropriation Statement is required for the current year inasmuch as the Rodwal will be undertaken from the next year, & that due provision will be made therefor in the next year's Budget. From the Statement received, a sum of Rs 7-8-0 appears to have been collected from September 1903 to April 1904 or 7 months in the shape of fees from 20 travellers who made halts in the Inspection lodge for more than 24 hours. The average no of halts is 3 per mensem. If, as the President says, Submitted for orders as to whether sanction may be accorded to the employment of the Rodwal with effect from 1st July 1904, and the President authorised to provide for the charge in the Budget for 1904-05

Sir,

In forwarding herewith a copy of the resolution of the Kolar district Board regarding the appointment of a Kotwal to the 3rd class Travellers Bungalow at Bethamangala which was formerly an Inspection lodge, I have the honor to request you to be so good as to obtain the sanction of Government to entertain a Kotwal on Rs 7/- per month to the above Bungalow as the place is growing in importance and the Bungalow is very largely used and the present sweeper on Rs 5/- can hardly cope with the work of furnishing necessary supplies to the travellers.

The extra cost may be met out of the amount allotted for temporary conservancy charges in the current year's district Fund Budget.
